

DIY Vacation Dog Tags

For Big Dogs:

1. Open this PDF in Adobe Reader and type your vacation contact info into the template for the back side of the tag, print it out both the front and back side of the tag on card stock, and cut each out with scissors.
2. Next cut out two pieces of clear, self-adhesive shelf liner and sandwich your new cardstock tag between them. (In a pinch, packing tape or even Scotch tape will do the trick.)
3. Punch a hole for a key ring and attach to your dog's collar. Happy vacationing!

For Small Dogs:
